

## Find Familiar

*Level 1 Conjuration (Wizard)*

**Casting Time:** 1 hour or Ritual
**Range:** 10 feet
**Components:** V, S, M (burning incense worth 10+ GP, which the spell consumes)
**Duration:** Instantaneous

You gain the service of a familiar, a spirit that takes an animal form you choose: **Bat, Cat, Frog, Hawk, Lizard, Octopus, Owl, Rat, Raven, Spider, Weasel**, or another Beast that has a Challenge Rating of 0. Appearing in an unoccupied space within range, the familiar has the statistics of the chosen form (see "Monsters"), though it is a Celestial, Fey, or Fiend (your choice) instead of a Beast. Your familiar acts independently of you, but it obeys your commands.

*Telepathic Connection.* While your familiar is within 100 feet of you, you can communicate with it telepathically. Additionally, as a Bonus Action, you can see through the familiar's eyes and hear what it hears until the start of your next turn, gaining the benefits of any special senses it has.

Finally, when you cast a spell with a range of touch, your familiar can deliver the touch. Your familiar must be within 100 feet of you, and it must take a Reaction to deliver the touch when you cast the spell.

*Combat.* The familiar is an ally to you and your allies. It rolls its own Initiative and acts on its own turn. A familiar can't attack, but it can take other actions as normal.

*Disappearance of the Familiar.* When the familiar drops to 0 Hit Points, it disappears. It reappears after you cast this spell again. As a Magic action, you can temporarily dismiss the familiar to a pocket dimension. Alternatively, you can dismiss it forever. As a Magic action while it is temporarily dismissed, you can cause it to reappear in an unoccupied space within 30 feet of you. Whenever the familiar drops to 0 Hit Points or disappears into the pocket dimension, it leaves behind in its space anything it was wearing or carrying.

*One Familiar Only.* You can't have more than one familiar at a time. If you cast this spell while you have a familiar, you instead cause it to adopt a new eligible form.

## Unseen Servant

*Level 1 Conjuration (Bard, Warlock, Wizard)*

**Casting Time:** Action or Ritual
**Range:** 60 feet
**Components:** V, S, M (a bit of string and of wood)
**Duration:** 1 hour

This spell creates an Invisible, mindless, shapeless, Medium force that performs simple tasks at your command until the spell ends. The servant springs into existence in an unoccupied space on the ground within range. It has AC 10, 1 Hit Point, and a Strength of 2, and it can't attack. If it drops to 0 Hit Points, the spell ends.

Once on each of your turns as a Bonus Action, you can mentally command the servant to move up to 15 feet and interact with an object. The servant can perform simple tasks that a human could do, such as fetching things, cleaning, mending, folding clothes, lighting fires, serving food, and pouring drinks. Once you give the command, the servant performs the task to the best of its ability until it completes the task, then waits for your next command.

If you command the servant to perform a task that would move it more than 60 feet away from you, the spell ends.

## Silent Image

*Level 1 Illusion (Bard, Sorcerer, Wizard)*

**Casting Time:** Action
**Range:** 60 feet
**Components:** V, S, M (a bit of fleece)
**Duration:** Concentration, up to 10 minutes

You create the image of an object, a creature, or some other visible phenomenon that is no larger than a 15-foot Cube. The image appears at a spot within range and lasts for the duration. The image is purely visual; it isn't accompanied by sound, smell, or other sensory effects.

As a Magic action, you can cause the image to move to any spot within range. As the image changes location, you can alter its appearance so that its movements appear natural for the image. For example, if you create an image of a creature and move it, you can alter the image so that it appears to be walking.

Physical interaction with the image reveals it to be an illusion, since things can pass through it. A creature that takes a Study action to examine the image can determine that it is an illusion with a successful Intelligence (Investigation) check against your spell save DC. If a creature discerns the illusion for what it is, the creature can see through the image.

## Fog Cloud

*Level 1 Conjuration (Druid, Ranger, Sorcerer, Wizard)*

**Casting Time:** Action
**Range:** 120 feet
**Components:** V, S
**Duration:** Concentration, up to 1 hour

You create a 20-foot-radius Sphere of fog centered on a point within range. The Sphere is Heavily Obscured. It lasts for the duration or until a strong wind (such as one created by *Gust of Wind*) disperses it.

*Using a Higher-Level Spell Slot.* The fog's radius increases by 20 feet for each spell slot level above 1.

## Color Spray

*Level 1 Illusion (Bard, Sorcerer, Wizard)*

**Casting Time:** Action
**Range:** Self
**Components:** V, S, M (a pinch of colorful sand)
**Duration:** Instantaneous

You launch a dazzling array of flashing, colorful light. Each creature in a 15-foot Cone originating from you must succeed on a Constitution saving throw or have the Blinded condition until the end of your next turn.

## Floating Disk

*Level 1 Conjuration (Wizard)*

**Casting Time:** Action or Ritual
**Range:** 30 feet
**Components:** V, S, M (a drop of mercury)
**Duration:** 1 hour

This spell creates a circular, horizontal plane of force, 3 feet in diameter and 1 inch thick, that floats 3 feet above the ground in an unoccupied space of your choice that you can see within range. The disk remains for the duration and can hold up to 500 pounds. If more weight is placed on it, the spell ends, and everything on the disk falls to the ground.

The disk is immobile while you are within 20 feet of it. If you move more than 20 feet away from it, the disk follows you so that it remains within 20 feet of you. It can move across uneven terrain, up or down stairs, slopes and the like, but it can't cross an elevation change of 10 feet or more. For example, the disk can't move across a 10-foot-deep pit, nor could it leave such a pit if it was created at the bottom.

If you move more than 100 feet from the disk (typically because it can't move around an obstacle to follow you), the spell ends.
